## FOR IMMEDIATE RELEASE CHAIR ALLOCATES FUNDS FOR REGIONAL PARK IMPROVEMENTS, NEW LEARNING CENTER CONSTRUCTION

**SAN BERNARDINO** – The County Board of Supervisors today approved Supervisor Josie Gonzales' plans to allocate discretionary funds to finance improvements to Glen Helen Regional Park and the construction of the new Baker Family Learning Center in Muscoy.

The two capital improvement projects were part of the County's second quarter spending plan. Of the \$327,500 Supervisor Gonzales earmarked, \$277,500 will go toward the construction of and furnishings for the new learning center planned in the unincorporated community of Muscoy. The remaining \$50,000 will be used for infrastructure improvements to Glen Helen's RV overnight parking area.

The County's redistricting in 2011 added the over 1,300 acre regional park to the Fifth District, which Supervisor Gonzales represents.

"I am especially proud of the community center project, the first capital improvement investment of its kind in Muscoy, said Supervisor Gonzales. "The \$50,000 allocation at Glen Helen will pay for the RV hook-ups that will give overnight campers another opportunity to enjoy the regional park."
